101	Non-Restricted rifle Winchester model 1895, .303 British lever action, w/ bbl length 28" [Blued barrel and receiver turning brown gray. Fixed front and adjustable rear sights. Smooth wooden stock and forend with metal butt plate. Believed to be replacement rear sight. Bluing worn in use, handling and storage areas. Action and trigger appear to function reasonably smoothly. Note the rare low three digit serial number and popular .303 Brit caliber, combined with the overall above average condition makes this a very desirable addition to any Winchester collection.] serial # 272, PAL required	1100
102	Non-Restricted saddle ring carbine Colt model 1884 Lightening, 44/40 12 Shot pump action repeater, w/ bbl length 20 1/2" [Blued barrel and receiver turning	1500

	<p>brown gray. Fixed front and military style adjustable rear sights. Smooth straight stock with checkered forend and metal butt plate. Old repair to stock visible on left and right sides. Scroll work button insert on bottom of stock. Full length tubular magazine. Action and trigger function reasonably smoothly although fair to say has been in long term storage. Bluing worn in expected use and handling areas plus some pitting and surface rust likely from prolonged storage.] serial # 64664, PAL required</p>	
103	<p>Non-Restricted rifle Winchester model 1886, 40-82 W.C.F lever action repeater, w/ bbl length 26" [Blue half octagonal, half round barrel and receiver. Fixed front and adjustable rear buckhorn style sights. Smooth deluxe semi pistol grip stock and forend with attached metal butt plate. Stock is cracked on right side on the middle of tang, all pieces are present. Beautiful brown patina with wear on expected handling areas. Action and trigger appear to function reasonably smooth. Use, handling and storage marks on wood and metal.] serial # 5589, PAL required</p>	3000
104	<p>Non-Restricted rifle Winchester model 1895, 30 US lever action repeater, w/ bbl length 28" [Round blued barrel and receiver. Fixed front and adjustable rear buckhorn sights. Straight smooth wooden stock and forend, metal butt plate. Owner attached front and rear swivels. Blued worn in use, handling and storage areas. Action and trigger appear to function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # 19684, PAL required</p>	900
105	<p>Non-Restricted shotgun Winchester model 1887, 12 Ga lever action repeater, w/ bbl length 30" [Blued barrel and receiver turning brown gray. Smooth wooden semi pistol grip stock and forend. Pachmayr recoil pad. Stock is presumably cut short to accommodate after market recoil pad. Current length including pad, to center is 12 1/2". Much of the bluing has been naturally worn away. Action and trigger appear to function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # 18637, PAL required</p>	1300
106	<p>Non-Restricted shotgun Winchester model 1901, 10 gauge lever action repeater, w/ bbl length 30" [Blued barrel and receiver turning brown gray. Single bead front sight. Wooden semi pistol stock and forend. Checkered metal butt plate. Approximately 50% of bluing intact, worn in expected use and storage areas. Stock appear refinished. Action and trigger function reasonably smoothly with use, handling and storage marks.] serial # 66561, PAL required</p>	900
107	<p>Non-Restricted rifle Winchester model 1886, 40-65 W.C.F lever action repeater, w/ bbl length 26" [Blued octagonal barrel, receiver and full length tube. Fixed front and adjustable rear buckhorn sights. Smooth straight stock and forend with metal butt plate. Bluing worn in use and handling areas. Action and trigger appear to function reasonably smoothly. Use, handling and storage marks on wood and metal.] serial # 108549, PAL required</p>	1600
108	<p>Non-Restricted rifle Winchester model 1886, 45-90 W.C.F lever action repeater, w/ bbl length 28" [Blued octagonal barrel and full length tube. Fixed front and adjustable rear buckhorn sights. Smooth straight wooden stock and forend. Metal butt plate. Receiver shows evidence of nickel plating, mostly worn away but still evident in spots. Friction stud stop pin is broken. Upper tang crack immediately behind hammer opening. Action and trigger appear to function reasonably smoothly. Well worth the minor restoration required. Use, handling and storage marks to wood and metal.] serial # 104991, PAL required</p>	2100

109	Non-Restricted shotgun W.W. Greener. Maker model Greener Police Gun, Special Greener Bore single shot falling block, w/ bbl length 26" [Blued barrel and receiver. Single bead front sight. Smooth wooden stock and full length forend. Metal butt plate. Attached front and rear sling rings. Markings include assorted proof marks, 2 1/2" CHOKE, NITRO PROOF, 1 1/16 and GREENERS SPECIAL BORE on rear top of barrel. GREENERS POLICE GUN on right side of receiver, W.W. GREENER.MAKER PAT. NOS 9074/21 19517/21 plus proof symbols on left side of receiver. J. HONNOR and proof mark stamped in underside of stock. 6 " crack on front left of stock, all pieces are present. Assorted age appropriate nicks on mark in wood and on metal. Action and trigger appear to function reasonably smoothly.] serial # G4828, PAL required	500
110	Non-Restricted rifle Winchester model 1905, 35 cal. semi automatic, w/ bbl length 22" [Blued barrel and receiver turning brown gray. Fixed front and adjustable rear sights. Smooth wooden stock and forend. Branded plastic butt plate. Bluing worn in use and handling areas. Action and trigger appear to function reasonably smoothly. Includes one magazine. Use, handling and storage marks on wood and metal.] serial # 9141, PAL required	725
111	Non-Restricted rifle Winchester model 1895, 35 W.C.F lever action repeater, w/ bbl length 24" [Blued barrel and receiver turning brown gray. Fixed front and adjustable rear sights. Smooth wooden stock and forend with metal butt plate. Receiver and rear of barrel show evidence of aggressive cleaning. Action and trigger appear to function reasonably smoothly. Underside of stock has remnants of once attached sling ring. Use, handling and storage marks to wood and metal.] serial # 402666,	725
112	Non-Restricted rifle Winchester model 1895, 35 W.C.F lever action repeater, w/ bbl length 24" [Blued barrel and receiver turning brown gray. Fixed front and rear sights. Straight wooden stock and forend. Metal butt plate. Front and rear sights in need of repair. In well used condition and should be consider a project piece.] serial # 63940, PAL required	525
113	Non-Restricted saddle ring carbine Winchester model 1895, 30 US lever action repeater, w/ bbl length 22" [Blued barrel and receiver turning brown gray. Fixed front and adjustable rear sights [part of rear sight missing] Straight wooden stock with attached metal butt plate. Grooved forend. Crack in stock on right side behind upper tang. Much of the bluing worn, especially in common handling areas, pitting on left side of receiver. Action and trigger function reasonably smoothly with use, handling and storage marks to wood and metal.] serial # 61849, PAL required	700
114	Non-Restricted rifle Winchester model 1895, .303 British lever action repeater, w/ bbl length 22" [Blued barrel and receiver turning brown gray. Fixed front sight and elevation adjustable rear sight. Smooth wooden stock with single grooved forend. Most of the bluing worn, surface rust and pitting on receiver and barrel. Crack in stock approximately 3" on right side of tang. 1" crack in stock on left side of tang plus 2" crack on forend. Includes some older stock repairs. Stock and forend are pitted and gouged. Includes saddle ring. Action and and trigger operate relatively smoothly, however does have a tendency to slam fire, should inspected before use. Use, storage and handling marks to wood and metal.] serial # 88832, PAL required	490
115	Non-Restricted rifle Winchester model 1886, 33 W.C.F lever action repeater, w/	1200

	bbl length 24" [Blued barrel and receiver. Fixed front and adjustable rear sights [missing elevator insert]. Smooth straight wooden stock and forend. Branded plastic butt plate. Bluing worn in use and handling areas. Surface pitting primarily on receiver, but also on the barrel. Action and trigger function reasonably smoothly with use, handling and storage marks to wood and metal.] serial # 149108, PAL required	
116	Non-Restricted rifle Marlin model 336, 30-30 Win lever action repeater, w/ bbl length 20" [Blued barrel, receiver and full length tube. Fixed front and adjustable rear sights. Hardwood semi pistol grip stock and forend. Branded plastic butt plate. Fitted with sling ring and includes leather sling. Action and trigger function well. Threaded for scope mount and original factory plugs still installed. Use, handling and storage marks including gouges to wood and some surface rust and pitting to metal.] serial # 18039061, PAL required	575
117	Non-Restricted rifle Winchester model 1886, 33 W.C.F lever action repeater, w/ bbl length 24" [Blued barrel and receiver. Fixed front and adjustable Lyman rear peep sight. Rear barrel mount sight fitted with dovetail insert. Smooth straight wooden stock and forend, metal butt plate. Action and trigger function reasonably smoothly, but in need of a good bath. Use, handling and storage marks to wood and metal.] serial # 133527, PAL required	1350
118	Non-Restricted saddle ring carbine Winchester model 1895, 30 US lever action repeater, w/ bbl length 19 1/2" [Blued barrel and receiver turning brown gray. Fixed front and military style adjustable rear sights. Smooth straight wooden stock and forend. Metal butt plate. Saddle ring is missing. Action is stiff and firearm is in well used condition with marks including surface pitting gouges and crack on side of stock. Use, handling and storage marks to wood and metal.] serial # 39906, PAL required	550
119	Non-Restricted rifle Winchester model 1886, 45-90 W.C.F lever action repeater, w/ bbl length 26" [Blued octagonal barrel, receiver and full length tube. Fixed front and adjustable rear sight missing elevator ramp. Smooth wooden stock. Small crack on right side of stock below hammer. Action and trigger function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # 20090, PAL required	2400
120	Non-Restricted rifle Winchester model 1895, 38-72 W.C.F lever action repeater, w/ bbl length 26" [Blued barrel and receiver. Fixed front and adjustable rear sights. Smooth straight stock and forend. Presumably refinished and reblued and if so appears to be a quality rebuilt. Action and trigger operate smoothly. Minor use, handling and storage marks.] serial # 5023, PAL required	2300
121	Non-Restricted rifle Winchester model 1892, 25-20 W.C.F lever action repeater, w/ bbl length 24" [Blued barrel, receiver and full length tube turning brown gray. Fixed front and adjustable rear buckhorn sights. Smooth straight wooden stock and forend, metal butt plate. Stock and forend appear revarnished. Crack repairs on left side and small chips either side of the hammer. Upper tang drilled and threaded for Lyman style sight. Screws are insert but sight no fitted or included. Bluing worn in use and handling areas. Action and trigger appear to function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # 763185, PAL required	700
122	Non-Restricted rifle Winchester model 1873, 44 W.C.F lever action repeater, w/ bbl length 24 1/2" [Blued octagonal barrel, receiver and full length tube. Fixed	2100

	front and adjustable rear sights. Smooth straight wooden stock and forend. Metal butt plate. Most bluing worn. Dust gate intact. Action and trigger function reasonably smoothly. Overall in well worn condition including use, handling and storage marks.] serial # 266860, PAL required	
123	Non-Restricted rifle Winchester model 1892, 25-20 W.C.F lever action repeater, w/ bbl length 20" [Blued barrel, receiver and full length tube. Fixed front and adjustable rear sights. Smooth straight wooden stock and forend. Metal butt plate. Action and trigger function reasonably smoothly. It is presumed that the firearm has been rebuilt, evidenced by over cleaning of metal parts causing faded serial no. and caliber stamp. However make and model on upper tang are clearly visible. Two line address on barrel is clear. Overall they appear to have done a nice job with use, handling and storage marks.] serial # Faded, PAL required	750
124	Non-Restricted rifle Winchester model 95, 30 Gov't 06 lever action repeater, w/ bbl length 24" [Blued barrel and receiver turning brown gray. Fixed front and elevation adjustable rear sights. Smooth straight wooden stock and forend. Metal butt plate. Action cycles through but is quite stiff. Use, handling and storage marks to wood and metal.] serial # 419315, PAL required	1150
125	Non-Restricted rifle Winchester model 1892, 44 W.C.F lever action repeater, w/ bbl length 24 1/2" [Blue barrel, receiver and full length tube. Fixed front and adjustable rear sights. Smooth straight wooden stock and forend. Metal butt plate. Two small pieces of wood missing on the front of stock and front of forend. Bluing worn in use and handling areas. Action and trigger function reasonably smooth. Overall in well worn condition including use, handling and storage marks.] serial # 523795, PAL required	1200
126	Non-Restricted rifle Winchester model 1895, 303 British lever action repeater, w/ bbl length 28" [Blued barrel and receiver turning brown gray. Fixed front and adjustable rear Marble's sight. Smooth straight semi deluxe stock and forend. Fitted with rubber butt plate. Unsure if stock was cut down to accommodate butt plate. Current length through the middle including recoil pad 13 3/4". See photos for pieces of forend on left and right side missing. Action and trigger function reasonably smoothly. Pitting on receiver predominantly on right side. Barrel is drilled and tapped for optic, all holes are plugged, two in front of rear sight and two under rear sight. Optic not included. Use, handling and storage marks to wood and metal.] serial # 59317, PAL required	675
127	Non-Restricted rifle Colt model 1884 Lightning, 38/40 pump action repeater, w/ bbl length 26" [Blued octagonal barrel, receiver and full length tool turning brown gray. Fixed front and rear sights. Smooth straight wooden stock with attached metal butt plate. Checkered forend. Rear sight presumed replaced. Action and trigger function reasonably smoothly. Use, handling and storage marks.] serial # 48212, PAL required	1450
128	Non-Restricted rifle Winchester model 1886, 40-82 W.C.F lever action repeater, w/ bbl length 25" [Blued octagonal barrel, receiver and full length tube turning brown gray. Fixed front, adjustable rear sights. Smooth straight wooden stock and forend. Metal butt plate. Action and trigger function reasonably smoothly. Fittment of tang to stock both upper and lower is poor, presumably due to shrinkage. Use, handling and storage marks on wood and metal including pitting.] serial # 12694, PAL required	1500
129	Non-Restricted saddle ring carbine Winchester model 1895, 303 British lever	1150

	action repeater, w/ bbl length 22" [Blued barrel and receiver. Fixed front and micro adjustable Redfield rear peep sight. Smooth straight wooden stock and forend. Metal butt plate. Saddle ring missing but stud is intact. Fitted with sling rings. Barrel mount rear sight mounting holes have been filled with threaded inserts. Action and trigger function reasonably smoothly with use, handling and storage marks to wood and metal.] serial # 57826, PAL required	
130	Non-Restricted rifle Winchester model 1873, 44 W.C.F lever action repeater, w/ bbl length 24" [Blued octagonal barrel, receiver and full length tube turning brown gray. Smooth straight wooden stock and forend. Metal butt plate. Bluing worn in use and handling areas. Action and trigger function reasonably smoothly. Overall appears to be above average. Use, handling and storage marks to wood and metal.] serial # 391560, PAL required	2100
131	Non-Restricted rifle Winchester model 1895, 30 US lever action repeater, w/ bbl length 24" [Blued barrel and receiver. Fixed front and adjustable rear buckhorn sight and adjustable receiver mount rear sights. Smooth straight wooden stock with metal butt plate. Most bluing gone, including both naturally worn and cleaned away after heavy neglect (?). Action cycles through albeit a bit stiff. See photos. Use, handling and storage marks to wood and metal.] serial # 66259, PAL required	725
132	Non-Restricted rifle Winchester model NWT Cent. 1870-1970, 30-30 lever action repeater, w/ bbl length 24" [Blued octagonal barrel. Fixed front and adjustable rear sights. Gold toned receiver and other accent pieces. Deluxe stock, smooth forend. Brass butt plate. NWT centennial medallion inset on right side of stock. This commemorative rifle does not include box or documentation. Appear may have been shot but clearly has only had light use. Minor use, handling and storage marks.] serial # NWT752, PAL required	850
133	Non-Restricted shotgun Winchester model 12, 20Ga 2 3/4" pump action repeater, w/ bbl length 26" [Blued ribbed fixed Imperial cylinder choke barrel and stainless steel receiver. Two bead sights. Semi deluxe pistol grip stock and forend. Branded plastic butt plate. Engraved Ducks Unlimited receiver including left hand game birds in flight and right hand retriever. Appears to be unfired or test fired with original retail hanging tag still intact. Light use, handling and storage marks.] serial # 93DU1822, PAL required	800
134	Non-Restricted rifle Winchester model 92, 25-20 W.C.F lever action repeater, w/ bbl length 24 1/2" [Blued octagonal barrel turning brown gray. Fixed front and adjustable rear sight. Smooth wooden stock and forend. Metal butt plate. Tube brass missing, stock mounting screws missing. Assorted cracks and gouges in wood. Action and trigger cycle albeit stiffly. Action and trigger appear to function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # NIL, PAL required	260
224	Non-Restricted rifle Stevens model Favourite, 32 Long RF single shot falling block, w/ bbl length 20" [Blued partial octagonal and partial round barrel with most bluing worn or cleaned off. No sights. Blued receiver. Smooth wooden stock and forend with checkered carved into stock butt. Fairly well used condition, although action and trigger does function reasonably smoothly. Use, handling and storage marks on wood and metal.] serial # NIL, PAL required	130
225	Non-Restricted rifle Cooley model 600, 22 S-L-LR bolt action, w/ bbl length 24" [Blued barrel and receiver. Fixed front and elevation adjustable rear sights. Wooden stock with checkered pistol and fore grip. Plastic butt plate. Older crack repair on front of stock. Receiver is drilled and tapped for scope mount, no mount included. Most bluing is intact, some minor surface rust and pitting. Some bluing worn in common areas. Action and trigger appear to function reasonably smoothly with use, handling and storage marks.] serial # NIL, PAL required	150
226	Non-Restricted rifle Cooley model 60, 22 S-L-LR bolt action repeater, w/ bbl length 24" [Blued barrel and receiver. Fixed front and elevation adjustable rear sights. Smooth wooden stock with attached metal butt plate. Most bluing intact. Receiver is drilled and tapped for scope mount, no scope including. Stock has quite a few minor scratches and gouges, mostly to the finish but the action appears to have had only reasonably light use. Use, handling and storage marks to wood and metal.] serial # NIL, PAL required	170
227	Non-Restricted rifle CIL model 171, 22LR bolt action repeater, w/ bbl length 21" [Blued barrel and receiver turning brown gray. Fixed front and adjustable rear sights. Smooth wooden with attached plastic butt plate. Rear sight is loose fitting in the hinge. Left front 5" of stock is cracked and missing, see photos. Bluing is worn in common use and handling areas. Action and trigger appear to function reasonably smoothly. Includes one detachable box magazine. Use, handling and storage marks to wood and metal.] serial # NIL, PAL required	110
228	Non-Restricted rifle Cooley model 64B, 22LR eight shot semi automatic, w/ bbl length 19" [Blued barrel and receiver. Fixed front and rear sights. Smooth wooden stock with Winchester branded plastic butt plate. Top of barrel stamped "MFG. by Winchester, Cobourg, Ont. Canada" Minor use and handling marks on metal and minor surface rust. Action and trigger appear to function quite smoothly. One detachable magazine. Use, handling and storage marks to wood and metal.] serial # CA045928, PAL required	190

229	Non-Restricted rifle Cooney model 64, 22LR semi automatic, w/ bbl length 20" [Blued barrel and receiver turning brown gray. Fixed front sight and rear iron sight missing. Fitted with Weaver .22 Tip-Off scope. Smooth wooden stock with attached plastic butt plate. Trigger guard cracked at rear mounting screw and piece missing rear of the mounting screw. Action and trigger appear to function reasonably smoothly. Electric pencil inscription on left side of mag well [713 856 250] Includes one Cooney branded box magazine. Use, handling and storage marks to wood and metal.] serial # NIL, PAL required	230
230	Non-Restricted rifle Remington model P14, .303 British five shot bolt action, w/ bbl length 24" [Blued barrel and receiver turning brown gray. Fixed front and adjustable barrel mount rear sights. Sporterized wooden stock with Whiteline recoil pad and fixed riser, sling rings. Original rear sight removed and receiver is drilled and tapped for optic mount, no mount included. Markings include RE incased in an oval on top of receiver plus assorted proof marks. Action and trigger appear to function reasonably smoothly with use, handling and storage marks on wood and metal.] serial # 59691, PAL required	240
231	Non-Restricted shotgun Winchester model 2400, 12Ga 2 3/4" semi automatic, w/ bbl length 30" [Blued fixed full choke barrel with single bead front sight. Black anodized alloy receiver. Smooth wooden stock and forend. Checkered plastic butt plate. Overall appears to have had light to moderate use with use, handling and storage marks to wood and metal especially around semi pistol grips, most likely from poor post use cleaning as opposed to heavy use.] serial # N670101,	190
232	Non-Restricted rifle Mauser model 71/84, 11mm Mauser bolt action repeater, w/ bbl length 24 1/2" [Blued barrel and receiver turning brown gray. Fixed front and three position flip-up rear sights. Smooth straight two band wooden stock with metal butt plate. Sling rings. Matching numbers found on several parts including receiver, barrel, rear band, however non-matching 39044 on bolt. Other markings include a crown over Spandau on top of rear end of barrel. 1886 on left rear of receiver, and assorted other proof marks on receiver and barrel. Age appropriate marks and gouges on wood. Action and trigger appear to function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # 3871, PAL required	370
233	Non-Restricted shotgun Stevens model 94 series P, 12Ga single shot hinge break, w/ bbl length 30" [Blued unknown fixed choke barrel with single bead front sight. Case hardened receiver. Wooden stock and forend with decorative checkering and attached plastic butt plate. Right front of stock has 1" long crack with no pieces missing. Left side of stock, just above trigger guard has a 1" X 1/4" missing chip. Lock up, action and trigger appear to function reasonably smoothly. Use, handling and storage marks to wood and metal.] serial # D779213, PAL required	60
234	Non-Restricted rifle Remington model P14, 303 British bolt action repeater, w/ bbl length 24 1/2" [Blued barrel and receiver turning brown gray. Fixed front and barrel mounted fixed rear sights. No receiver mounted rear sight. Smooth straight sporterized stock with metal butt plate. Drilled for sling rings, but no rings included. Markings including RE in oval in top of receiver, upper case R in top rear of barrel and assorted other proof marks. Matching numbers on receiver and barrel. Bolt serial no. is11279. Action and trigger seem to function reasonably smoothly. Bluing worn in expected handling areas, age appropriate marks on wood and metal.] serial # 310997, PAL required	190

235	Non-Restricted shotgun Mossberg model 500AB, 12Ga 2 3/4" & 3" pump action, w/ bbl length 30" [Blued fixed full choke barrel, single bead sight. Black anodized alloy receiver. Smooth wooden stock and corn cob forend. Mossberg branded recoil pad. Bluing worn in expected use and handling areas. Action and trigger function reasonably smoothly with use, handling and storage marks to wood and metal.] serial # G121387, PAL required	280
236	Non-Restricted shotgun CIL model 402, 12Ga 2 3/4" single shot hinge break, w/ bbl length 30" [Blued fixed full choke barrel with single bead front sight. Smooth wooden stock and forend with attached plastic butt plate. Fitted with sling rings. Approximately 50% of bluing is worn or turning gray. Stock has been varnished. Lock up and trigger function reasonably smoothly. In well used but functional condition. Use, handling and storage marks to wood and metal.] serial # 225516, PAL required	80
237	Non-Restricted shotgun Stevens model 235, 12Ga 3" two shot hinge break, w/ bbl length 30" [Blued barrels and receiver turning brown gray. Single bead front sight. Wooden stock and forend with checkered grips. Branded plastic butt plate. Matching serial numbers on receiver, barrels and forend. Old repair on front right of stock and small chip missing on left front of stock. In well used condition with age appropriate marks on wood and metal.] serial # 97273, PAL required	220
238	Non-Restricted shotgun Twin Ports model SXS, 12Ga 3" two shot hinge break, w/ bbl length 30" [Blued barrels turning brown gray. Single bead front sight and unknown fixed choke. Matching serial no. on receiver, barrel and forend. Wooden stock with checkered semi pistol grip and forend. Chieftain branded recoil pad. Bluing turning brown gray and worn in common use and handling areas. Action and trigger function reasonably smoothly with lock up just slightly loose. Use, handling and storage marks to wood and metal.] serial # 20301, PAL required	230

389	Wooden Old Fishing Lures labeled box containing six full 20 count Supreme 12 ga. 2 3/4" no. 5 rounds, 22 rounds of Eley 12 ga. 2 3/4" no. 4, 7 rounds of CIL 12 ga. 2 3/4" and a selection of loose assorted 12 ga. and .410 rounds.	80
390	Selection of assorted ammunition including a Winchester box containing 20 rounds of .30-08, not all original to box, 20 count box of Winchester Super-X box with .303 Win 18 grain soft point, 42 count rounds of Remington .25 auto 50 grain metal case, appears factory sealed 50 count box of Remington Kleen bore.22 Remington auto loading, a full 50 count box of Canuck CIL .25 Stevens Long 65 grain, approximately 100 .22 short, 250 rounds of .22 LR plus a selection of miscellaneous one off rounds including .348 Win, some vintage Rimfire, .577	240

	etc.	
391	Twelve 50 caliber rounds, one 50 caliber blank and one 90 caliber round (visually appears complete) marked Inert on black band and two partial holes drilled near tip of projectile. All rounds appear live as powder can be heard inside.	120
392	Wooden box containing a 50 count box of CIL Bullets .428 dia. 200 grain soft point, a selection of assorted empty cases, a Herter's box containing approximately 40 count .243 dia. 100 grain semi pointed bullets plus vintage primers, cleaning solvent, a Tasco 4X20 scope etc.	90
393	Antique handgun Hopkins & Allen model XL Navy, .38-100 six shot semi automatic, w/ bbl length 152mm [Nickel plated finish with fixed sights. Smooth wooden grips. Action, trigger and indexing function reasonably well including lock up. Markings include name and patent on top of barrel, XL NAVY 38-100 CAL on frame above cylinder. Over 70% of nickel plating intact. Non plated areas showing signs of pitting, some tooling marks on trigger guard and other use, handling and storage marks. Includes verification letter from Firearms Registry confirming antique status.] serial # 98, No PAL required	1500
394	Antique handgun Colt model Thunderer, .41 LC six shot double action revolver, w/ bbl length 114mm [Blued finish with fixed sights. Checkered branded grips. Markings include two line address on top of barrel. Matching serial numbers on frame, trigger guard and back strap. Patent stamps on left side of framed. Most bluing worn and surface pitting in some areas. Cylinder rotates freely with indexing and lock up components appear to be missing. Hammer does not cock. Double action operation is working fine. Use, handling and storage marks. Includes verification letter from the Firearms Registry confirming antique status.] serial # 71638, No PAL required	1250
395	Antique handgun Colt model Thunderer, .41 LC six shot double action revolver, w/ bbl length 89mm [Blued finish with fixed sights. Branded checkered grips. Markings include two line address on barrel. Matching serial numbers on frame, trigger guard and back strap. Indexing, single action and double action function reasonably well with the exception of trigger must be manually moved forward. Includes verification letter from Firearms Registry confirming antique status. Use, handling and storage marks.] serial # 45118, No PAL required	1450
396	Antique handgun Lefauchaux model Large frame, 11mm Pinfire six shot double action revolver, w/ bbl length 155mm [Blued finish turned brown gray. Fixed sights. Checkered wooden grips. Engraved on most surfaces with the exception of main barrel section. Double and single action operation function reasonably well, including lock up. Missing the loading gate and extractor rod. Virtually no identifying marks other than 6 on back of cylinder and what appear to be a V and perhaps a crown on front of cylinder. Use, handling and storage marks.] serial # NIL, No PAL required	490
397	Antique handgun Reichsrevolver model 1879, 11mm six shot semi automatic, w/ bbl length 183mm [Blued finish turned brown gray. Smooth wooden grips. Matching serial numbers on frame, barrel, side plate, side plate screws, safety lever, mounting screw, loading gate and cylinder. Other markings include 1881 on left side of frame, presumably manufacturing date. GEBR MAUSER & CIE OBERNDORF and an 1880 in an oval on side plate. Upper case M on frame behind trigger guard, 49. A.3.65. and proof marks surrounding lanyard ring etc. Approximately 50% of bluing intact. Pitting on metal, predominantly on back	1300

	strap, top of frame and barrel. Trigger and action including indexing and lock up working surprisingly well. Use, handling and storage marks.] serial # 1196, No PAL required	
398	Antique handgun St. Etienne model 1873, 11mm six shot double action revolver, w/ bbl length 115mm [Frame, cylinder and other metal parts in the white. Checkered pistol grips. Lanyard ring. Markings include Mle 1873 on top of barrel, S 1880 on right side of barrel. MRE d'ARMES ST. ETIENNE on right side of frame. Matching serial numbers found on frame, barrel, cylinder, trigger guard, cylinder rod and assorted screw heads etc. Assorted proof marks on frame behind left side of cylinder and other areas on frame. Mechanically including hammer cocking, indexing, trigger, both single and double action, extractor, loading gate etc. seem exceptional. The quality and attention to detail in this firearms would put most other gunsmiths to shame. Must be handled to be appreciated. Age appropriate use, handling and storage marks.] serial # H21885, No PAL required	1450
399	Antique handgun Italian Service model 1889 Trooper, 10.4mm six shot double action revolver, w/ bbl length 115mm [Blued finish turned brown gray. Fixed sights. Checkered wooden grips. Folding trigger. Single and double action operation is reasonably good. Indexing is consistent but lock up is loose. Surface pitting on most metals and some tooling marks. Markings are well worn and difficult to read. 1897 visible on left side, presumably date of manufacture. Use, handling and storage marks.] serial # 14266, No PAL required	1100
400a	Prohib 12-6 handgun Hopkins & Allen model Double Actions No 6, .32 S&W five Shot double action revolver, w/ bbl length 64mm [Nickel plated with fixed sights. Branded checkered wooden grips.
